State of Maine

Proclamation

WHEREAS, Maine's community health centers (CHCs) provide access across Maine's Medically Underserved Areas reaching more than one in eight Maine residents in the delivery of comprehensive primary care services; and

WHEREAS, more than 30,000 uninsured Maine residents have established a comprehensive medical home at a Maine CHC; and

WHEREAS, three in four of all CHC patients in Maine are below 200% of the Federal Poverty Line; and

WHEREAS, over 60,000 MaineCare recipients receive care at a CHC; and

WHEREAS, Maine's CHCs use a sliding fee scale to pro
